

We are part of a project that is researching the best ways to support you to develop maths, English and ICT skills as part of your Apprenticeship. We would be grateful if you could answer the questions below to help us find out what you think about maths, English and ICT and how they link to your work. We will ask you again at the end of the project in March 2010 to help us see if our project has made a difference to you.

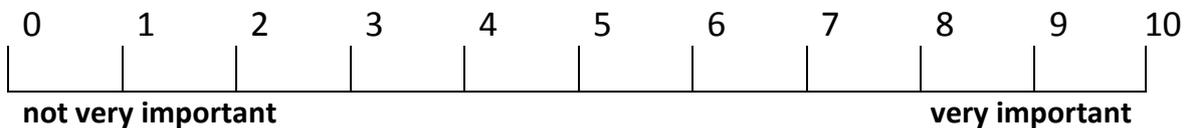

1. Did you enjoy doing maths and English at school?

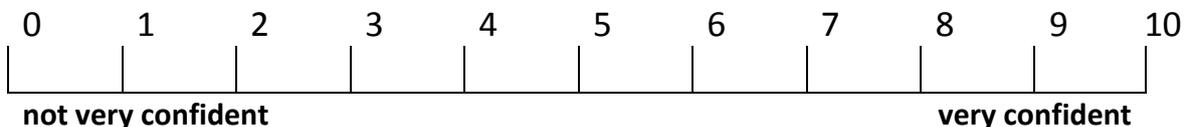

2. Please mark on the line below (from 0 – 10) how confident you feel about using **maths**

3. Please mark on the line below (from 0 – 10) how important you think being good at **maths** is to you at work

4. Please mark on the line below (from 0 – 10) how confident you feel about using **English**

## Learner Questionnaire

This resource has been produced as a result of a grant awarded by LSIS. The grant was made available through the Skills for Life Support Programme in 2010. The resource has been developed by (managers and) practitioners. The contents should not be compared with commercially produced resources, although in many cases it may have comparable or better learning outcomes.
